Deprivation of Liberty Safeguards

This module is aimed at everyone working in health and social care that makes decisions for people who may lack capacity and who require a knowledge of the Mental Capacity Act and, specifically, the issue of deprivation of liberty safeguards (often shortened to DOLS).

Mental Capacity Act

The Mental Capacity Act is intended to assist and support people who may lack capacity and to discourage anyone who is involved in caring for someone who lacks capacity from being overly restrictive or controlling.

This course aims to help care workers look at how the Act will affect them and to help them to develop best practice to include in the new legislation.

Trafficking, Exploitation and Modern Slavery

This course is about understanding, combating and helping people who are being trafficked, exploited or used in modern slavery. It examines different types of exploitation, how individuals become victim to abuse and what actions professionals should take to recognise victims and help them.

This course is suitable for those working with children, young people and adults.

Understanding Pathways to Extremism and the Prevent Programme

This course is aimed at all professionals who work in sectors where they come into contact with people who may be vulnerable to radicalisation, whether they are adults, children or young people.

The aim of the course is to give you an awareness of the radicalisation process so you can feel confident about being proactive in taking a multi-agency approach to early intervention and support.

Basic Awareness of Child and Adult Sexual Exploitation

Once you have completed this module you will be better equipped to recognise sexual exploitation and react immediately and appropriately in order to safeguard children, young people and adults. You will understand the importance of multi-agency working and the safeguarding frameworks in place to manage concerns of sexual exploitation.

Learners will also be provided with advice and guidance on how to recognise hate crime as well the appropriate actions to take when reporting hate crime

An Introduction to FGM, Forced Marriage, Spirit Possession and Honour Based Violence

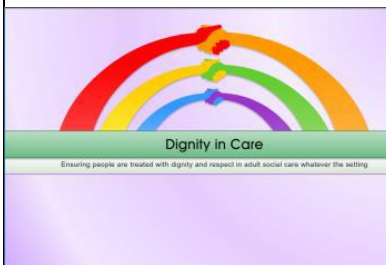

Provides an understanding of Female Genital Mutilation, Honour Based Violence, Spirit Possession and Forced Marriage.

These are the four main types of abuse that stem from culture related traditions and this course increases awareness of specific cultural and religious needs whilst providing the knowledge practitioners need to be confident when conversing with those from a different cultural background around the subjects.

Dementia Awareness

This module aims to raise carers' understanding about the lived experience of a person with dementia, looking at the person first and then exploring simple techniques to help keep the person with dementia independent for longer

Dignity in Care

'Dignity' can be a difficult term to define. This is because dignity means different things to different people and can cover a wide range of topics. We believe that dignity is about ensuring that people in care are treated with dignity and respect in adult social care whatever the setting.

On completion of this course learners will: understand how the people we support might feel when not treated with dignity and respect; know what constitutes best practice; understand why inappropriate staff attitudes must be challenged; and ensure all staff working in adult social care employ best practice.
